

REPORT ON THE ACTIVITIES OF MEMBERS OF TI GEORGIA'S COMMITTEES OF CONCERNED CITIZENS OF IMERETI IN 2018-2019

In 2019, members of TI Georgia's Committees of Concerned Citizens applied to the self-government bodies of Kutaisi, Tskaltubo, Khoni, Baghdati, and Tkibuli with a request to address 38 infrastructural problems/needs. The city halls of the municipalities expressed their readiness to address 24 of these problems/needs.

As a result of our advocacy:

- Arrangement of a public square got underway in the village of Kontuati, Khoni Municipality;
- The salaries of teachers of municipal kindergartens increased by 10% in the Khoni Municipality;
- Road design works got underway in the village of Akhalbediseuli, Khoni Municipality;
- Gym equipment was installed in a public square on Tbilisi Street in Tskaltubo;
- Gym equipment was installed on Tabidze Street in Tskaltubo;
- A road connecting with the village of Rioni was laid in the Tskaltubo Municipality;
- Road surface was renewed at 2 Guramishvili Street in Tskaltubo; a new road was laid in Rioni and Zarati; a new road was partially laid in Chuneshi; and gravel was added on internal roads in Maglaki;
- Faulty municipal transport operating on the lines to the villages of Dgnorisa, Rioni and Zarati was replaced with new transport, and the timetables were improved in the Tskaltubo Municipality;
- The sewage system adjacent to municipal kindergarten no. 1 was cleaned in Tskaltubo;
- Bus stops were installed in Kutaisi;
- The drainage canal on Youth Avenue was repaired in Kutaisi;
- The surface of the road connecting Nikea and Gamsakhurdia Streets was renewed in Kutaisi;
- A new road surface was laid on Gugunava Street in Kutaisi;
- A drainage system was arranged at 58 Chavchavadze Street in Kutaisi;
- Zebra crossings were repainted on Avtomshenebeli, Gugunava, Gamsakhurdia and other streets in Kutaisi;
