

# **REPORT ON THE ACTIVITIES OF MEMBERS OF TI GEORGIA'S COMMITTEES OF CONCERNED CITIZENS OF ZUGDIDI IN 2018-2019**

In 2019, the Zugdidi City Hall promised members of TI Georgia's Committees of Concerned Citizens that it would resolve 24 of the problems identified by them. Members of the Committees had applied to the local self-government body with a request to address a total of 48 problems/needs in November 2018.

As a result of our advocacy:

- The first phase of asphalt-laying works was completed on Queen Tamar, Lermontov, Samegrelo and Konstantine Gamsakhurdia Streets;
- Drainage canals were arranged on Queen Tamar Street;
- A segment of the Zugdidi-Anaklia highway in the village of Ingiri was rehabilitated;
- The municipality procured 15 new buses, it is planned to introduce an electronic payment system of the bus fare;
- A tender was announced for the construction of a kindergarten in the village of Jumi;
- The construction of outpatient facilities got underway in the villages of Kakhati and Narazeni;
- Gravel was laid on internal roads in the villages of Akhalkakhati and Didinedzi;
- Children's amusement ride/playgrounds were renewed on Tsotne Dadiani, Queen Tamar and Revaz Laghidze Streets;
- Drainage canals were cleaned in the village of Akhalabastumani;
- More than a 100 books were added to the library of the village of Akhalkakhati;
- Waste collection containers were added in the villages of Akhalabastumani and Didinedzi;
- A public toilet was built in Anaklia.
